

PRODUCT INFORMATION SHEET

KLAUS baseball cap dark grey

Product description

Classic dark grey, six panel structured baseball cap. 2 front stitching are made of fabric, while the other 4 are made of mesh, which perfectly protects the head in hot weather. The mesh is extremely soft and delicate, which improves airflow. There is a decorative button at the top of the cap. The baseball cap enables individual size adjustment and precise adjustment to the head due to comfortable Velcro closure. Additionally used reflective details allow to increase the safety of movement and work in the dark.

Characteristics

- material TC fabric 65% polyester, 35% cotton, mesh 100% polyester;
- 190 g/m²;
- a curved bill protecting from sun;
