

PRODUCT INFORMATION SHEET

Long socket set for alloy wheels 3 pcs., 1/2"

Product description

Set of long 1/2" impact sockets for aluminum rims. The set includes popular sizes 17 mm, 19 mm, 21 mm.

Characteristics

- made of high quality CrMo alloy steel ensuring long life time, durability and resistance to deformation and cracking;
- durable, designed for continuous operation under heavy load;
- colourful finish of the sockets ensuring quick identification of sizes;
- a protective sleeve made of soft material protects the rims against scratches and other damage;
- 150 mm length provides access to deep screw sockets;
- plastic box for easy storage.
