

## PRODUCT INFORMATION SHEET

### Hole markers 8 pcs.

#### Product description

A set of 8 centring steel markers for determining the location of drilling holes needed for joining. They are used for precise determining and marking the location of drilling holes. After adding the element to be joined, the sharp part of the marker leaves a clear mark. The material will be marked where the hole for the dowel pin connecting the elements should to be drilled.

#### Characteristics

Sizes of the markers included in the set:

- 2 pcs. 6 mm;
- 2 pcs. x 8 mm;
- 2 pcs. x 10 mm;
- 2 pcs. x 12 mm.
