

PRODUCT INFORMATION SHEET

ROTH SLIM foam knee pads black uni (2pcs/pack)

Product description

High-quality ROTH foam knee protectors, designed to be placed in the knee pockets of work pants. Made of EVA plastic, which is resistant to deformation and does not absorb moisture, so they provide long-lasting comfort. Recommended for a wide range of jobs, such as assembly and finishing work, gardening, construction, installation and warehouse work, where kneeling and working on hard surfaces require extra knee protection.

Characteristics

- Material: EVA foam with waterproof properties and high flexibility;
- Protection type: type 2, Level 0, designed for knee pockets;
- design: SLIM, ergonomic and compact, well-fitted to the knees;
- dimensions: 23.5 cm x 14 cm;
- weight of 2 knee pads: 74 grams.
